PROFILE

Manga artist trained at KADOKAWA Content Academy in Japan and recognized by Saudi Arabia's Minister of Culture. I have drawn professional manga for Manga Arabia (SRMG), taught 30+ manga and anime programs, and directed a 3-minute animated film with a team of 7. Computer Science graduate, now studying Executive Leadership.

EXPERIENCE

Manga Arabia (SRMG)

2023 - 2024

Freelance Manga Artist

- Drew professional manga pages with editors and writers for Arabic readers.
- Designed characters and worlds with a culturally rooted look.

House of Culture

Manga Club Leader

- Taught 30+ manga and anime programs, from anatomy to full manga projects.
- Coached storytellers from first idea to publish-ready pages.

Ibn Rushd International Schools

Art & Computer Teacher • Art Club Manager

- Ran the Art Club: exhibitions, competitions and talent programs.
- Blended technology and art in hands-on student workshops.

Dukkan Shahhar

Family Business Manager

Ran daily operations, inventory, procurement and finances; built loyal customer relationships through quality service.

Jazan University

2023

Network Engineering Trainee

Helped set up and configure network infrastructure; handled troubleshooting, monitoring and technical support.

ACHIEVEMENTS

- Honored by the Saudi Minister of Culture for artistic excellence during training in Japan.
- Directed a 3-minute animated film, leading a 7-person team through 100+ hours of production.
- Led an art gallery event with House of Culture, Asmar Cafe and Ibn Rushd Schools: animation, art and film classes plus a prize-awarding exhibition with 14 participants and 200 visitors.
